# SJCC ALL CAMARO SHOW

South Jersey Camaro Club held our 2nd Annual All Camaro (& Firebird) Show on a great sunny weekend on September 9, 2012. Again we had specialty cars that where directly from Chevrolet in attendance. This year the new ZL1 convertible and the all new LE1 was here for people to get in and check out. A big thanks goes out to Scot Settlemire for bring them, his special awards, and for his time at our show. It was greatly appreciated...

We had participates from all over the area, with our largest contingent traveling all the way from Staten Island, NY. Local radio stations were broadcasting throughout the day with the event schedule. This made sure we had lots of spectators walking around the show area checking out the cars. Our vendor row made the show that much better by offering food and goods for all that attended.

All generations of the Camaro where well represented and boy did they all look great. That made it tough for our judges, who had many difficult decisions to make during the day, but somehow that did a wonderful job. The dyno was humming all day long with cars making big power and was a show within our show.
